

Liz died tragically on Saturday, August 22, 2015 in Duncan Mills, California, cutting short a career dedicated to our state's public lands. Liz began her career as a volunteer interpreter at Año Nuevo State Reserve and serving as a Park Aide. For half of her career, she worked as a ranger in several state parks including Lake Perris State Recreation Area and parks in the Santa Cruz District. Her strong leadership and deep commitment to parks was apparent. She was promoted to Supervising Ranger at Big Basin Redwoods State Park and then to Sector Superintendent in the North Coast Redwoods District. In 2007, she was promoted again to District Superintendent of the Sonoma-Mendocino Coast District.

As a leader, Liz was a mentor, helping to enhance her team's professional development. She had a deep commitment to protecting public lands and sharing nature with the public, and she was dedicated to the mission of the California State Parks: providing for the health, inspiration, and education of Californians while protecting the state's natural and cultural resources and creating opportunities for high-quality recreation. She held this mission to heart and executed her duties with professionalism and respect. Her advocacy to keep parks open during state budget cuts is a testament to her passion and commitment.

Liz fostered strong working relationships with nonprofits like LandPaths for assistance with management of the Willow Creek Addition to the Sonoma Coast State Park. She saw the great value in leveraging community resources for the benefit of parks and its users.

She will be forever missed for her integrity, generosity, sense of humor, unmatched work ethic, and warm smile. Her love and devotion to parks will continue on in the many lives she has touched, the policies she has influenced while serving at the California Department of Parks and Recreation, and now the bridge dedication in her honor at the Bodega Bay Coastal Prairie that will be enjoyed by many visitors for years to come.

It is therefore appropriate that we pay tribute to Liz today for her enduring legacy and express our deepest condolences to her family and friends.

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 7, 2016

Mr. LUETKEMEYER. Mr. Speaker, I rise today to honor a business in my district, Flat World Supply Chain, LLC. It is celebrating their 10th anniversary on September 16, 2016. In 2006, this business was founded by St. Charles County residents, Jeff Rothermich and Kirk Ferrell. Two employees and one client made up the first Flat World Supply Chain office that was located in St. Peters, Missouri. Today, there are sixty-three employees at the current office location in O'Fallon, Missouri. It has several hundred clients throughout the United States in addition to many international clients. Currently, Flat World Holdings includes four operating companies; Flat World Supply Chain, Prologue Technology, Ram International, and Ram Custom Crating.

Flat World Supply Chain provides solutions that are delivered through proprietary software that is customizable to each client's needs. The software has the ability to integrate with almost any Enterprise Resource Planning or operating system. Prologue Technology was founded by Rothermich and Ferrell in 2008; this service provides a custom technology tool that typically involves logistics and improving business processes through various technologies. In 2011, Flat World Hospitality was created to expand their logistical services to the hotel and hospitality industry. The year 2013 was an exciting year for Flat World Supply Chain as it moved to their current office location in O'Fallon, Missouri. In 2015, Flat World Supply Chain purchased Ram International, a St. Louis based international freight forwarder and U.S. Customs House Brokers that was founded in 1982, and Ram Custom Crating, a custom crating company that specializes in building wooden crates for export of any size for transport around the world. In January of 2016, Flat World Supply Chain, Ram International, Prologue Technology, and Ram Custom Crating formed Flat World Holdings as their operating company. The Flat World Supply Chain office expanded in July 2016 to welcome Ram International freight forwarding and U.S. Customs House Brokerage staff into the expanded office.

Flat World Supply has been recognized on numerous occasions, starting in 2014 with being named the "Fastest Growing" privately held company in St. Louis by the St. Louis Business Journal. In 2014 and 2015, it was recognized by Inc. Magazine as one of the "Fastest Growing" companies in the United States. Small Business Monthly recognized Flat World Supply Chain as "Leader in Technology" in 2015.

I ask you to join me in recognizing Flat World Supply Chain on their 10th anniversary. The services it provides and commitment it has to its clients is what sets Flat World Supply Chain apart in this field. Best of luck in the future to the owners of Flat World Supply Chain, Jeff Rothermich and Kirk Ferrell.

PERSONAL EXPLANATION

HON. LUIS V. GUTIÉRREZ

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 7, 2016

Mr. GUTIÉRREZ. Mr. Speaker, I was unavoidably absent in the House chamber for votes on Tuesday, September 6, 2016. Had I been present, I would have voted "yea" on roll call votes 479 and 480.

I strongly support the passage of H.R. 5578, the Survivors' Bill of Rights Act of 2016, which takes an important and much-needed step in ensuring that survivors of sexual assault will have access to the administration of a rape kit as well as rights to have that kit preserved, to be informed of the results, and to be notified of intended disposal of that kit. Although the rape kit backlog still overwhelms forensic labs throughout the country, this bill takes concrete steps to empower survivors to be informed of and make decisions regarding key evidence.

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 7, 2016

Mr. OLSON. Mr. Speaker, I rise today to congratulate Richmond native Logan Pate for winning the 90th Texas Junior State Championship.

After ending two rounds in a three-way tie for first place during the local golf tournament, Logan beat two brothers in the sudden-death playoff hole. Getting par in that last hole put him over the edge past the competing brothers, securing this impressive win. Logan is a recent graduate from William B. Travis High School and is no stranger to placing first, having won the 2016 UIL Region 3-6A individual title. He will continue his promising golf career at the University of Arkansas-Little Rock.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Logan Pate for winning the 90th Texas Junior State Championship. Thank you for bringing this prestigious honor to Richmond. I wish him success on the links in his impressive golf career.
